

The radio station K-LOVE is very important to me as a resident of the local community. My family and I listen to K-LOVE throughout the day and I would be very disappointed if it was replaced by an LPFM broadcaster providing other programming. The christian music heard on K-LOVE is good for families and communities because it provides family oriented music. I never have to worry about my children listening to this radio station. I can't say that about other radio stations.
